

Edvance360 QUICKSTART GUIDE

How to Setup Course Evaluations

Evaluations allow administrators to create evaluations that may be given to all courses which are connected to End Dates of Terms. (If courses are tied to Terms with no End Dates, the course evaluation won't function properly.) The evaluations may only be created by administrators, and unlike course surveys may be used multiple times and do not focus on specific course information.

Course Evaluation Initial Settings

- 1 Login to Edvance360 as Admin
- 2 Navigate to 1-Admin > 2-Config & Settings > 3-General Settings > 4-Course Evaluation.

The screenshot displays the Edvance360 Administration dashboard. At the top, the navigation bar includes Home, Courses, Communities, Resources, Calendar, Scores, Admin (highlighted with a red box), and Help. The main content area is titled 'Administration' and features a left-hand sidebar with a tree view of settings. The 'CONFIG & SETTINGS' menu item is highlighted with a red box and labeled '2'. Underneath, 'GENERAL SETTINGS' is highlighted with a red box and labeled '3'. The 'Course Evaluations' option is highlighted with a red box and labeled '4'. The main content area shows the 'Admin » General Settings' page with a note: 'Note: Some settings you need to logout and back in to see a change.' Below the note are several expandable settings: Attendance Tracker, Badges, Calendar, Community Tool Settings, Continuing Education Options, and Course Evaluations. The 'Course Evaluations' section is expanded, showing the 'Enable Course Evaluations' toggle set to 'No' and a section for 'Select when to display course evaluations to students'.

Course Evaluation Tool

- 1 To create evaluations and run reports, users should navigate to Admin > Courses & Communities > Course Evaluations hyperlink on the left-hand navigation panel in the Admin Tab.

The screenshot displays the Edvance360 Administration interface. At the top, a dark navigation bar contains the Edvance360 logo and several menu items: Home, Courses, Communities, Resources, Calendar, Scores, Admin (highlighted with a red box and a red '1'), and Help. Below this is the 'Administration' section. On the left, a vertical navigation menu lists various categories: CONFIG & SETTINGS, USER MANAGEMENT, APPLICATION MANAGEMENT, COURSES & COMMUNITIES (highlighted with a red box and a red '2'), CLONING TOOLS, EXTERNAL LTI TOOLS, E360 NAVIGATOR, REPORTS, HOME PAGE ALERTS, TEST ADMINS, HOME PAGE LINKS, HELP, and COMPETENCIES. Under 'COURSES & COMMUNITIES', the 'COURSE EVALUATIONS' sub-item is highlighted with a red box and a red '3'. The main content area shows the breadcrumb 'Admin > Course Evaluations' and two primary sections: 'Courses Evaluations Report' and 'Course Evaluation Search'. The 'Courses Evaluations Report' section includes a 'Report From' dropdown menu (set to '000Sales Demo Courses - Do Not Change Me') and a 'Format' dropdown menu (set to 'Web Page'), with a 'Submit' button below. The 'Course Evaluation Search' section includes three dropdown menus: 'Select Term' (set to 'All Terms'), 'Select Course' (set to 'All Courses'), and 'Select Instructor' (set to a blank field), with 'Search' and 'Export' buttons below. At the bottom of the main content area, there is a dark bar with the text 'Courses Evaluations' and a green plus icon.

Intro to Edvance360 v2	   

View Results and Reports: Users may choose this to view results and reports for each evaluation. Once this option is chosen, the user is taken to a new screen that requires the user to “Select Term”. Users must then select a course from the drop down menu to view the evaluation results. Each course term and course name will be listed for ease of use. Users will be able to view results for each question. Unlike course surveys which may be set as either anonymous or not, course evaluations are always anonymous. Only user responses will be listed, and in the order the user's completed the evaluation. A pie chart will be associated with each question, listing the users’ answers by percentage. Users may select the Export Results to Excel hyperlink to create an Excel spreadsheet report of the survey results.
