## Setup Getting Started Video

1 Navigate to **Admin > Application Management > Getting Started Video**

The screenshot shows the Edvance360 Admin interface. The top navigation bar includes Home, Trainings, Groups, Resources, Calendar, Scores, Admin (highlighted with a red box), and Help. The main content area is titled 'Administration' and features a left sidebar with a menu. The 'APPLICATION MANAGEMENT' menu item is highlighted with a red box, and its sub-item 'GETTING STARTED VIDEO' is also highlighted with a red box. The main content area shows the 'Getting Started Video' configuration page, which includes a breadcrumb 'Admin > Getting Started Video', a title bar 'Getting Started Video', and two radio button options: 'Upload Video' (selected) and 'Embed Code'. Below these options is a 'Browse...' button and a 'Save' button (both highlighted with red boxes). The text 'Getting Started Video' is followed by 'Browse...' and 'No file selected.'.

- Select Video Display Option Upload Video or Embed Code
  - *Upload Video*: Upload your video and select save, maximum file size **50MB**
  - *Embed Code*: Copy and paste your video embed code and select save
